Dear Prospective Sponsor:

The West Covina High School Marching Band & Colorguard Program needs your support. This program provides the opportunity for young musicians to develop and advance their musical talents by offering them a cooperative and competitive experience. In the past, our groups have traveled to San Diego and Las Vegas as well as throughout Southern California. We are proud to announce that our Band & Colorguard qualified as finalists in the SCSBOA 2A-5A Championships in Oceanside, California.

The expense of travel, equipment, competition fees, maintenance and uniforms needed to make this program a success is no longer provided by our school district. This is where we need your help.

As a sponsor, your tax-deductable donation will help alleviate the rising costs of maintaining our program. Depending on your level of sponsorship, you can receive a plaque, a direct link from our website, your name displayed on our equipment trailer, your name printed in our Annual Holiday Classic Tournament program or your name announced as a sponsor at our competitions as the band is introduced.

Our Students Appreciate Your Support!
